

SELL-OUT

Dear customers, we have prepared for you a special price offer on stand , collocation and wall-mounted data cabinets.

MSS – STAND DATA CABINETS

The MSS line stand data cabinets are designed for indoor installation of 19" or 21" technology. A design of the self-supporting assembler frame enables an easy assembly of the data cabinet at the point of installation. The unique construction of these data cabinets also permits to reduce their weight substantially.

- Sliding supporting rails
- Removable side covers
- Possibility of assembling a set of cabinets
- Variable base dimensions (up to the depth of 1,000 mm)
- Coverage degree IP 20 to EN 60529
